WHO WE ARE

Skillinvest have over 38 years experience in delivering quality employment, education and training services across a range of industries.

We partner with a range of small and large-sized businesses and organisations to provide workforce solutions including local, Federal and State governments, statutory authorities, not-for-profit organisations, and national and multinational companies.

Skillinvest work with employers to up-skill their existing workforce, while also supporting local employment and training opportunities. We assist employers and employees at all stages, from recruitment to completion.

To address skills needs and industry skills shortages, we deliver nationally recognised education and training courses. Our vocational education and training programs cater to a mix of full-time and part-time students, apprentices, trainees, and secondary school students through the Vocational Education and Training in Schools (VETiS) program.

Under Personnel Hire arrangements, Skillinvest provides skilled and licensed personnel for short or long-term assignments, or seasonal work, and offer a comprehensive recruitment service for permanent or fixed-term staff.

Using our combined resources we have the flexibility to tailor our services and delivery to meet unique or emerging business needs.

Delivering quality employment, education and training services across a range of industries since 1986.

OUR CORE COMPETENCIES

- **Capacity and Capability:** We have the skills and resources to ensure our services deliver meaningful outcomes for our clients and communities.
- **Innovation:** We use modern technology enabled solutions to support efficiency and effectiveness in our systems and processes to deliver state of the art outcomes for stakeholders.
- **Business Diversity:** We are consistently growing, expanding into new markets and developing new services to diversify and build capacity.
- **Engagement:** We actively invest in expanding and developing our business networks and connections, and we advocate on behalf of our clients and communities for better outcomes.

WHAT WE DO

APPRENTICESHIPS & TRAINEESHIPS

Skillinvest's Group Training service supports businesses and organisations to provide Australian Apprenticeships, Traineeships and School Based Apprenticeships through all stages from recruitment to completion. Our team of Apprenticeship Consultants have diverse industry experience and undergo regular training. We offer flexible employment arrangements under Enterprise Agreement or Award conditions and can rotate apprentices/trainees to another host employer if required.

We maintain a database of school leavers and adults seeking apprenticeships/traineeships and match host employer needs with candidate career aspirations. We provide ongoing support for both the host employer and employee, including regular workplace visits. Support is also provided to select a suitable RTO to provide training in collaboration with the apprentice/trainee and host employer.

Skillinvest take care of all the paperwork and legal requirements, allowing the host employer to focus on providing on-the-job training. Our Group Training service complies with Group Training Standards and is a Member of the Apprenticeship Employment Network (Victoria).

EDUCATION & TRAINING

Skillinvest is a Registered Training Organisation (RTO No. 4192) regulated by the Australian Skills Quality Authority (ASQA).

We deliver nationally recognised and accredited courses in a range of industries, including agribusiness, automotive, business, carpentry, engineering, hairdressing, hospitality, leadership, management, and more.

We also offer short courses leading to industry-recognised licences, tickets, and permits in areas such as vehicle operation and use of agricultural chemicals.

Additionally, Longerenong College offers specialised agriculture education with a fully operational farm and indoor/outdoor training facilities.

Our qualified teachers, trainers, and assessors have considerable industry experience and can deliver training at your workplace or our well-equipped training facilities. We can also tailor a training package to suit your workforce needs. Eligible students may receive government funding for accredited training.

LABOUR HIRE & RECRUITMENT

Skillinvest offers Personnel Hire (on-hired) employment arrangements for skilled and licensed personnel for both short and long-term assignments.

Our consultants have diverse industry experience and undergo regular WHS refresher training. We also provide a comprehensive recruitment service for permanent and fixed-term staff, supporting all stages of the recruitment process.

Our Personnel Hire database includes a mix of school leavers and skilled personnel seeking work. We match your business needs with candidate skills and licences and can employ personnel under Enterprise Agreement or Award conditions.

Our team handle all enquiries, coordinate the application process, shortlist against your criteria, arrange interviews, conduct referee checks and notify all candidates of the outcome. We work across all industry sectors.
